

## Desserts

**GF Chocolate BOMBES** - A beautiful chocolate mousse dome, covered with chocolate ganache on a flat, thin, flourless chocolate cake. Filled with crême Anglaise center. (House favorite!)

**GF Coconut Macaroon Cake** - Chocolate ganache covering what we'll call a layered coconut "cake."

**Tiramisu** - A classic Italian favorite! Coffee-liquor soaked cake, layered with sweet Marsala-infused mascarpone. Topped with cocoa powdered and hand-whipped cream.

**Cheesecake** - Fluffy, decadent American-style cheesecake. Made using REAL vanilla and Philadelphia cream cheese. (Choose your syrup from our house made berry-reduction, chocolate or caramel)

**Homemade Cannoli** - A delicious Italian classic!
